EDNA YouTube Channel Analysis

Aman
Kumar

"This is my first submission to EDNA Challenges.

While making the report I learnt about the usage of tooltips and multi-page navigation feature in Power BI which I haven't tried out yet."

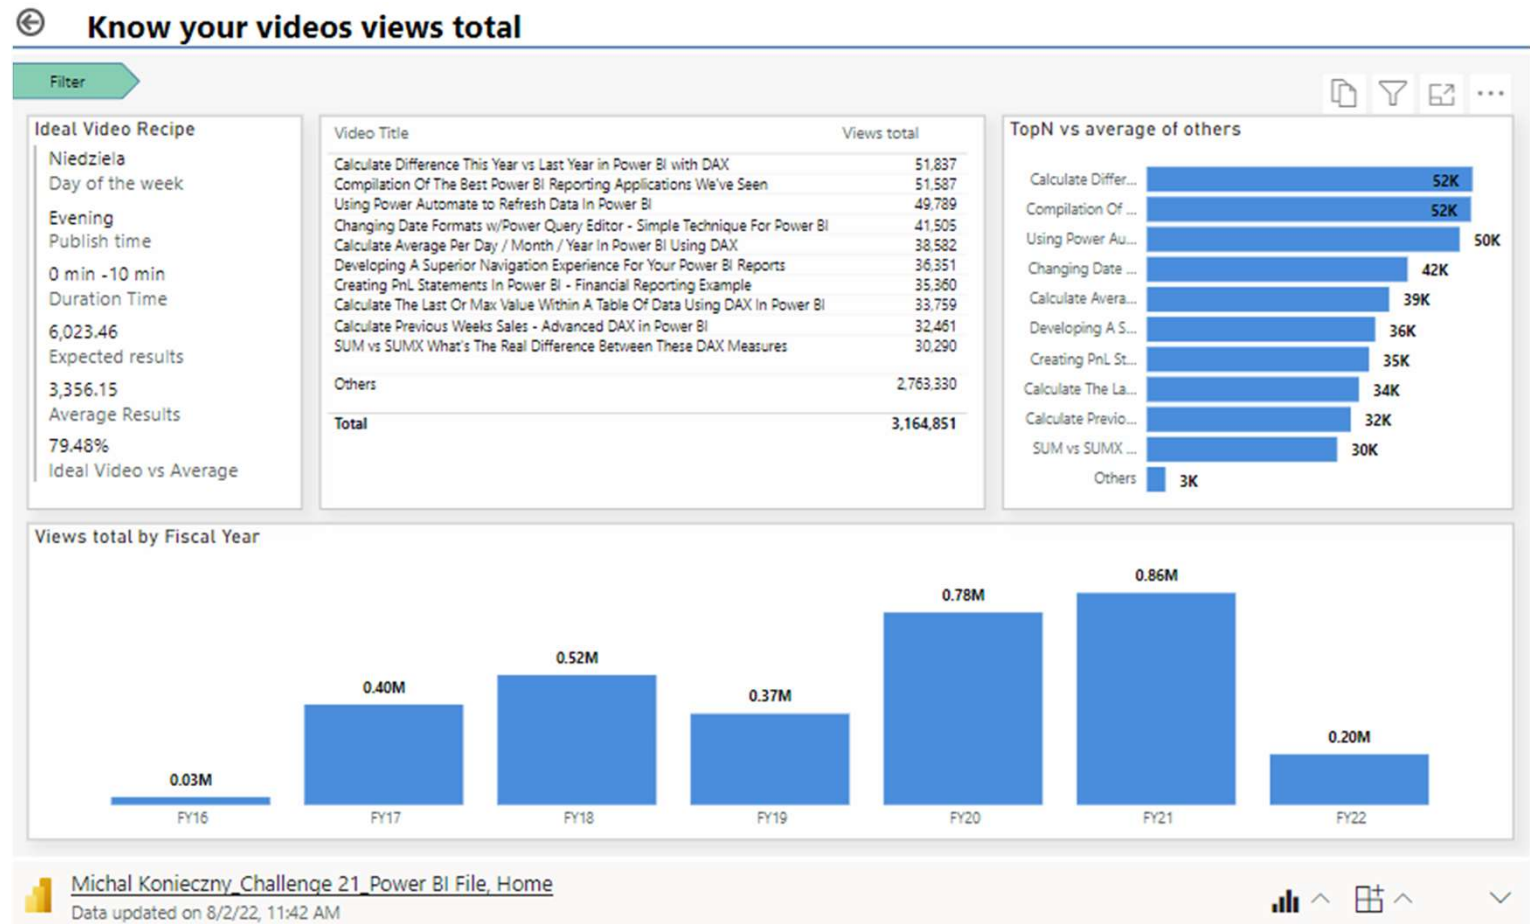

EDNA YouTube Channel Analysis

Michal
Konieczny

"This is my first submission to EDNA Challenges. I was focusing using new field parameters features and make it more app like but still not to overdo it as I like rather more minimalistic design"

Noelia Navarro

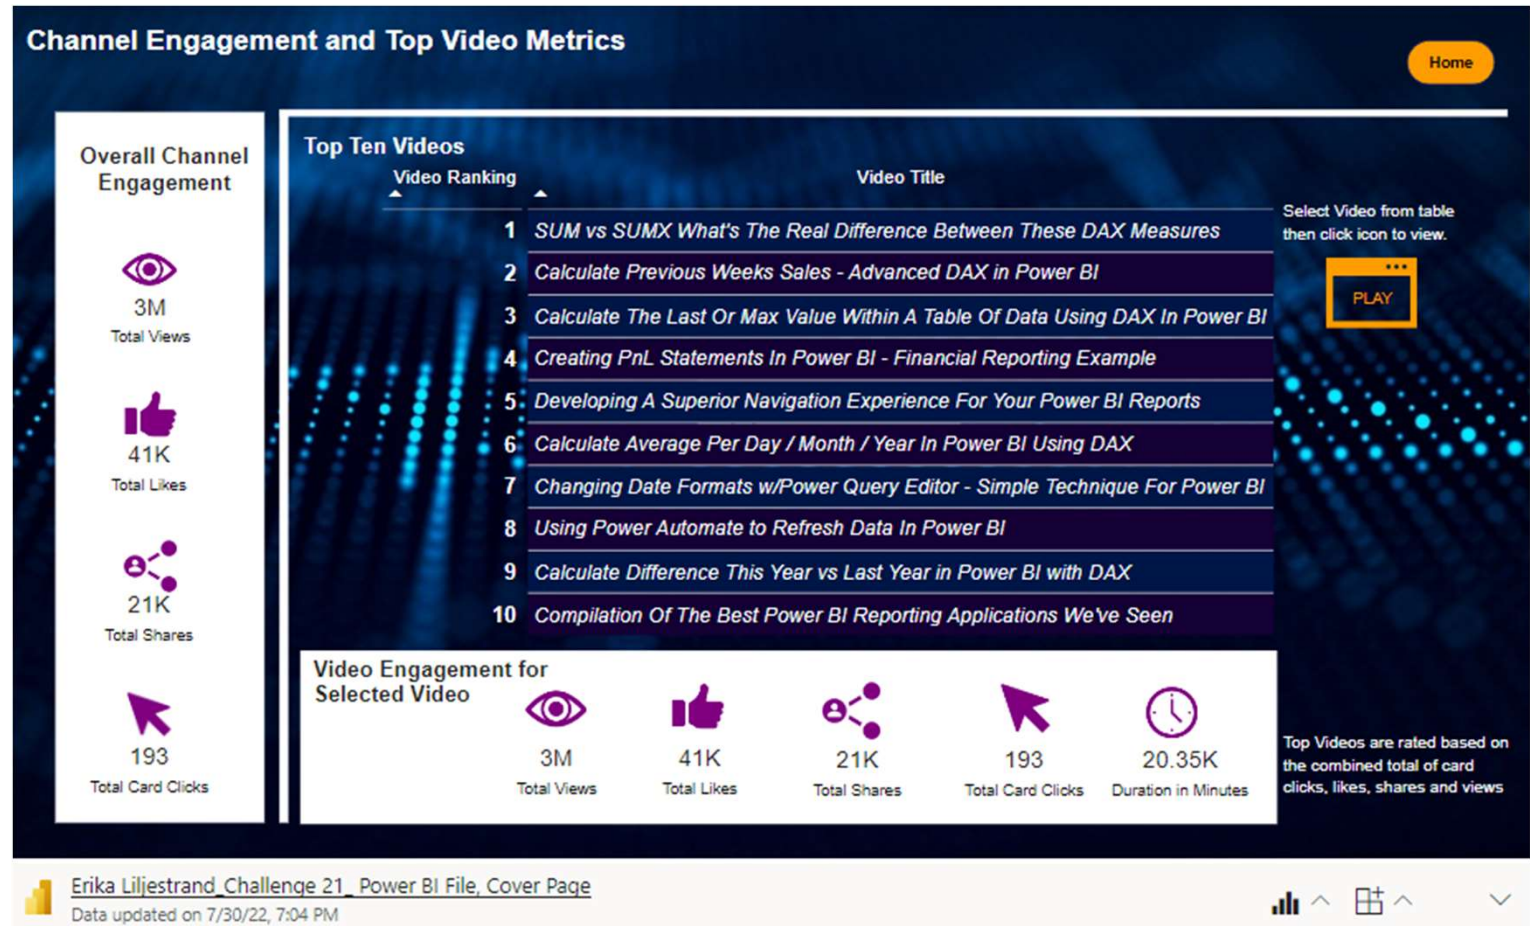

"This is my first submission to eDNA challenges. It has been a lot of fun analyzing the data from eDNA's YouTube Channel. I have tried to simulate the Shieldapp"

EMPOWERING POWER BI USERS
TO CHANGE THEIR WORLDS

Erika Liljestrand

“This is my first challenge. I have been learning and using Power Bi for only a few months, so I appreciated the openness of this challenge as it let me practice what I was able to figure out.

EDNA YouTube Channel Analysis

James
Jie

"Thanks for the opportunity for me to join the challenge. I categorized the movies. The dashboard and the app are based on categories."

The screenshot displays the YouTube channel interface for 'eDNA Challenge 21 - James Jie'. The left sidebar contains navigation options like Home, Explore, Shorts, Subscriptions, Library, History, Your videos, Watch later, Liked videos, and Show more. Below this are subscription lists for 'A Different Bias', 'Access Analytic', 'Avi Singh - PowerBIPro', 'Bazooka Joe Valle...', 'BI Elite', 'BI Gorilla', and 'Brian Tyler Cohen', along with a 'Show 101 more' option. The main content area shows a list of videos with thumbnails and titles. The bottom video player shows a thumbnail for 'James Jie Challenge 21 Power BI File, Cover' with a data update timestamp of 7/31/22, 7:16 AM.

"This is my first time participating in this challenge. The case is quite interesting. First, I tried to interview the data. This step is really challenging."

EMPOWERING POWER BI USERS
TO CHANGE THEIR WORLDS

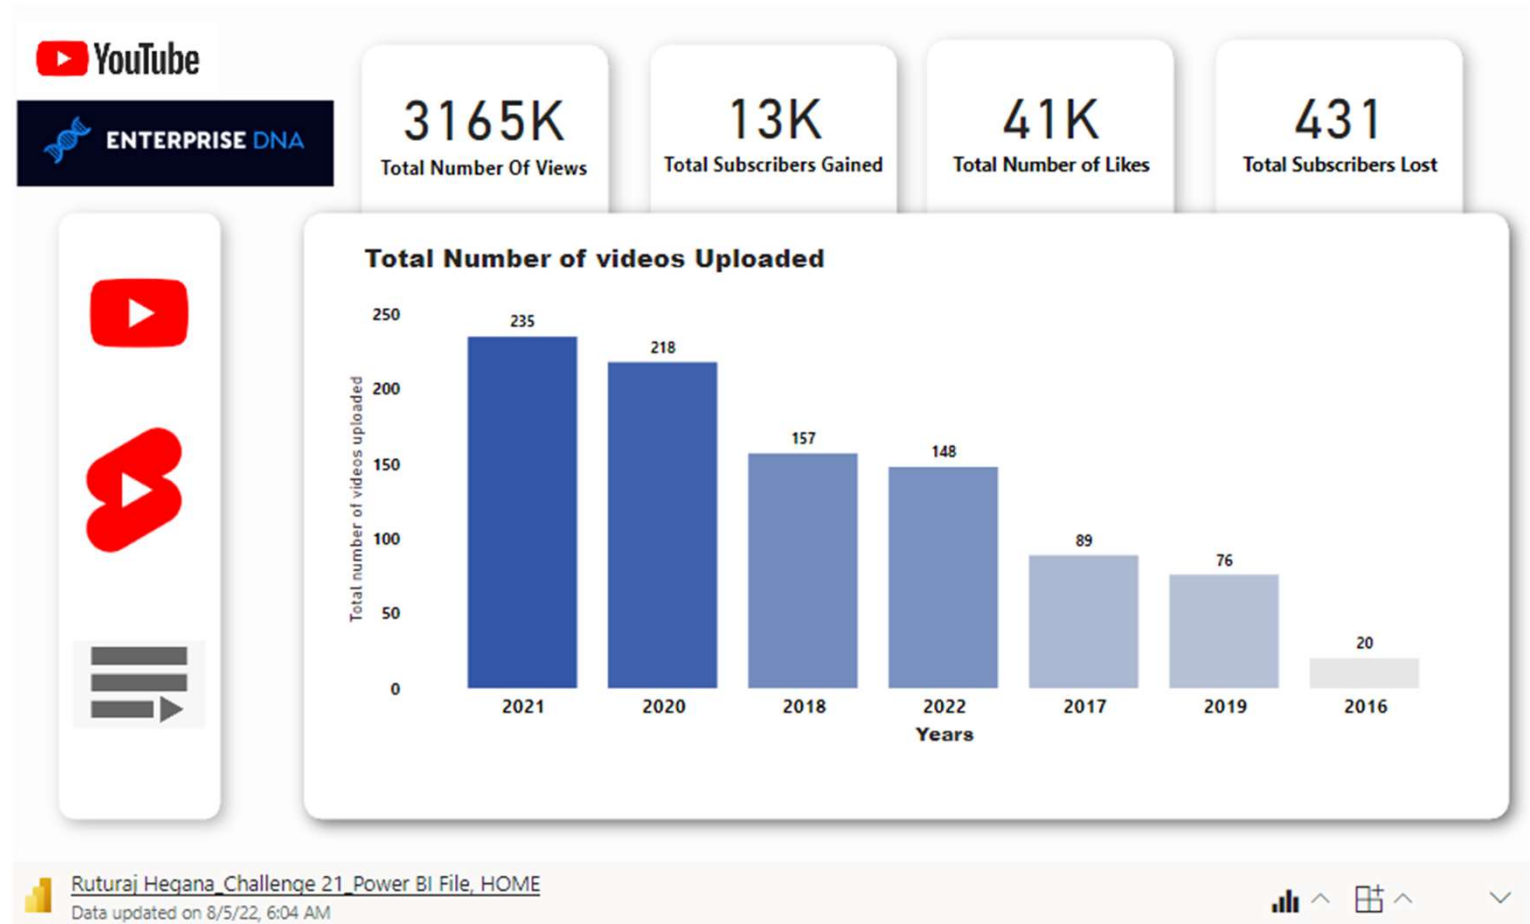

Juan-Pierre Louw

"I tried to keep it short and simple this time around. Also worked a bit more on my color palette with some Neomorphism effects. This is the first time that I have used the Field Parameters in a challenge."

Ruturaj Hegana

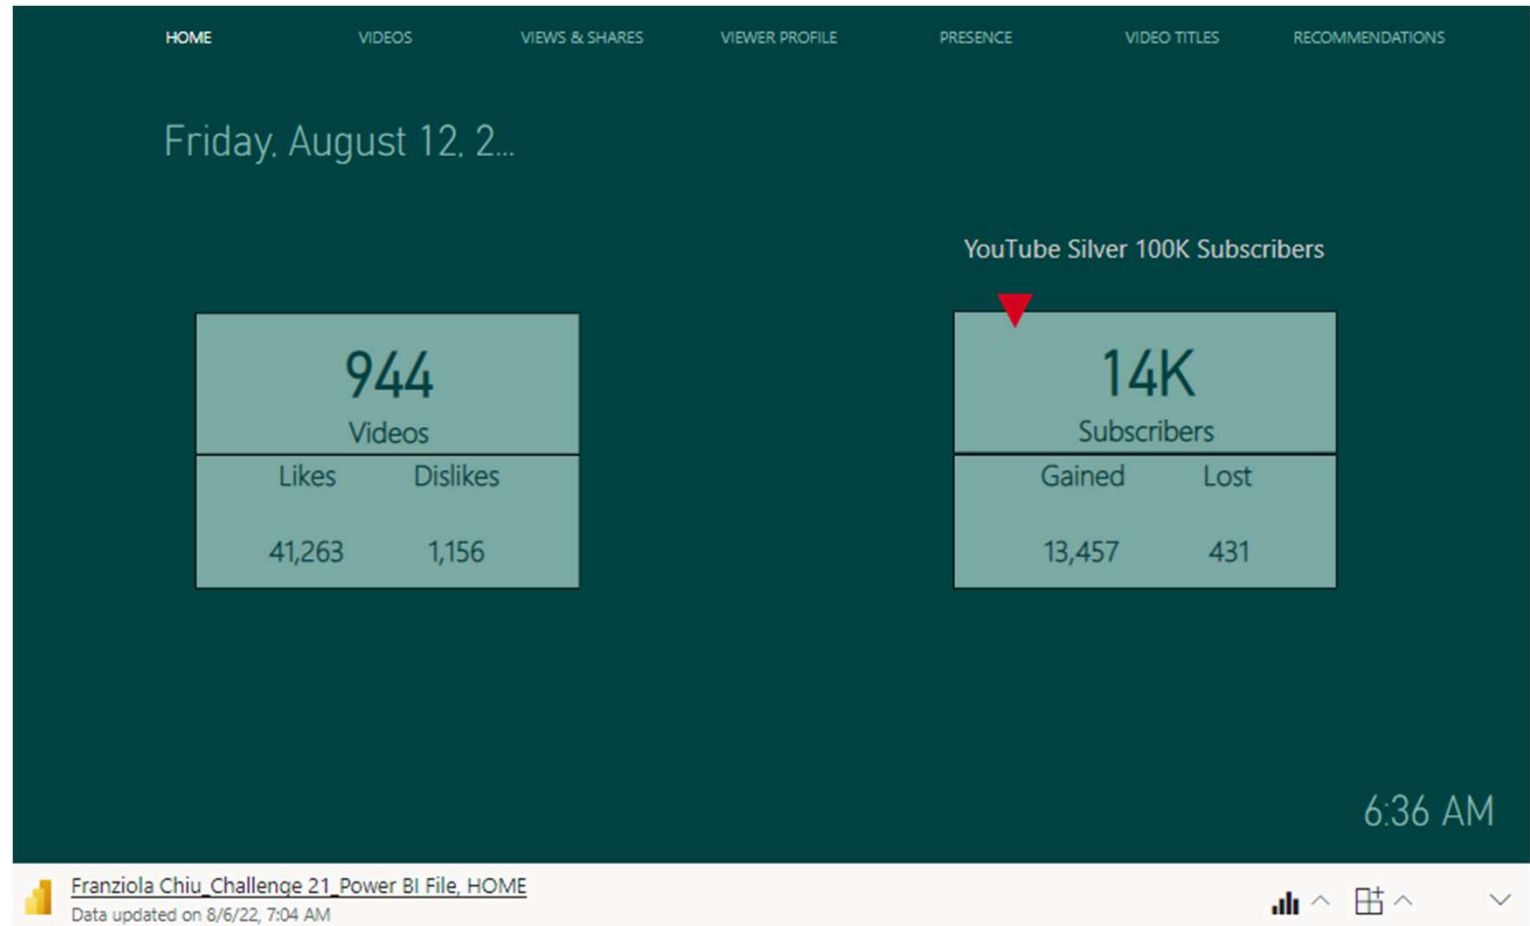

"While going through this extraordinary challenge I have learned many new things, ill further work on this dashboard and when it's done, I'll post on LinkedIn, I will definitely participate in further challenges"

Franziola Chiu

"This Exploratory Analysis is focused on the Title Names of the Videos itself and what the words communicate (or don't). The challenging part was not knowing the Mission, Vision or Strategic Plan and the datasets itself that didn't click."

**EMPOWERING POWER BI USERS

EDNA YouTube Channel Analysis

Amanda Nascimento

"I accepted the Enterprise DNA challenge 21.

The challenge consists in elaborate an exploratory analysis report about EDNA YouTube Channel growth.

For the mobile view I focused just on the engagement metrics

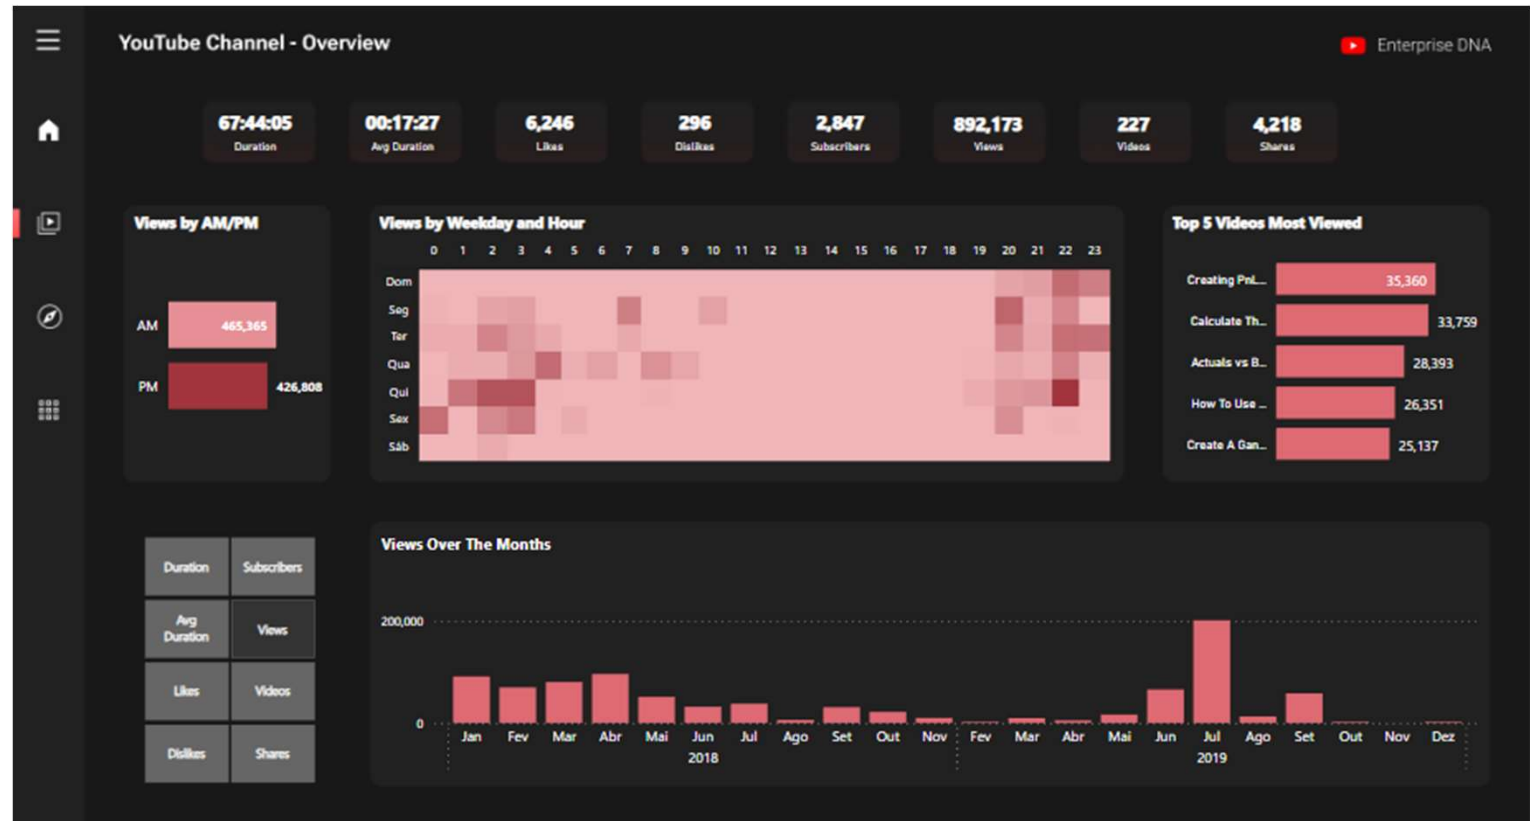

EDNA YouTube Channel Analysis

Victor Alves

"It was a great learning opportunity. May this be just the first of many times here. In this dashboard, you can see 3 pages:
Overview: Summary all KPIs
Audience: Ctry & Gender
Comparison: Year comparison."

EDNA YouTube Channel Analysis

Steve Standford

"Thank you for this challenge it was really interesting. After getting quite complex I decided to reduce it to some interesting points around time of post, most effective videos and durations. The longevity of many videos is awesome. "

Travis J Villanueva

"I thought to highlight the Animated Bar Chart which presents the views by video title over a monthly race to have an idea or picture of how the you tube video views increment over time. In addition, mobile report development which is a key activity as users nowadays do their transaction or activities over the phone. "

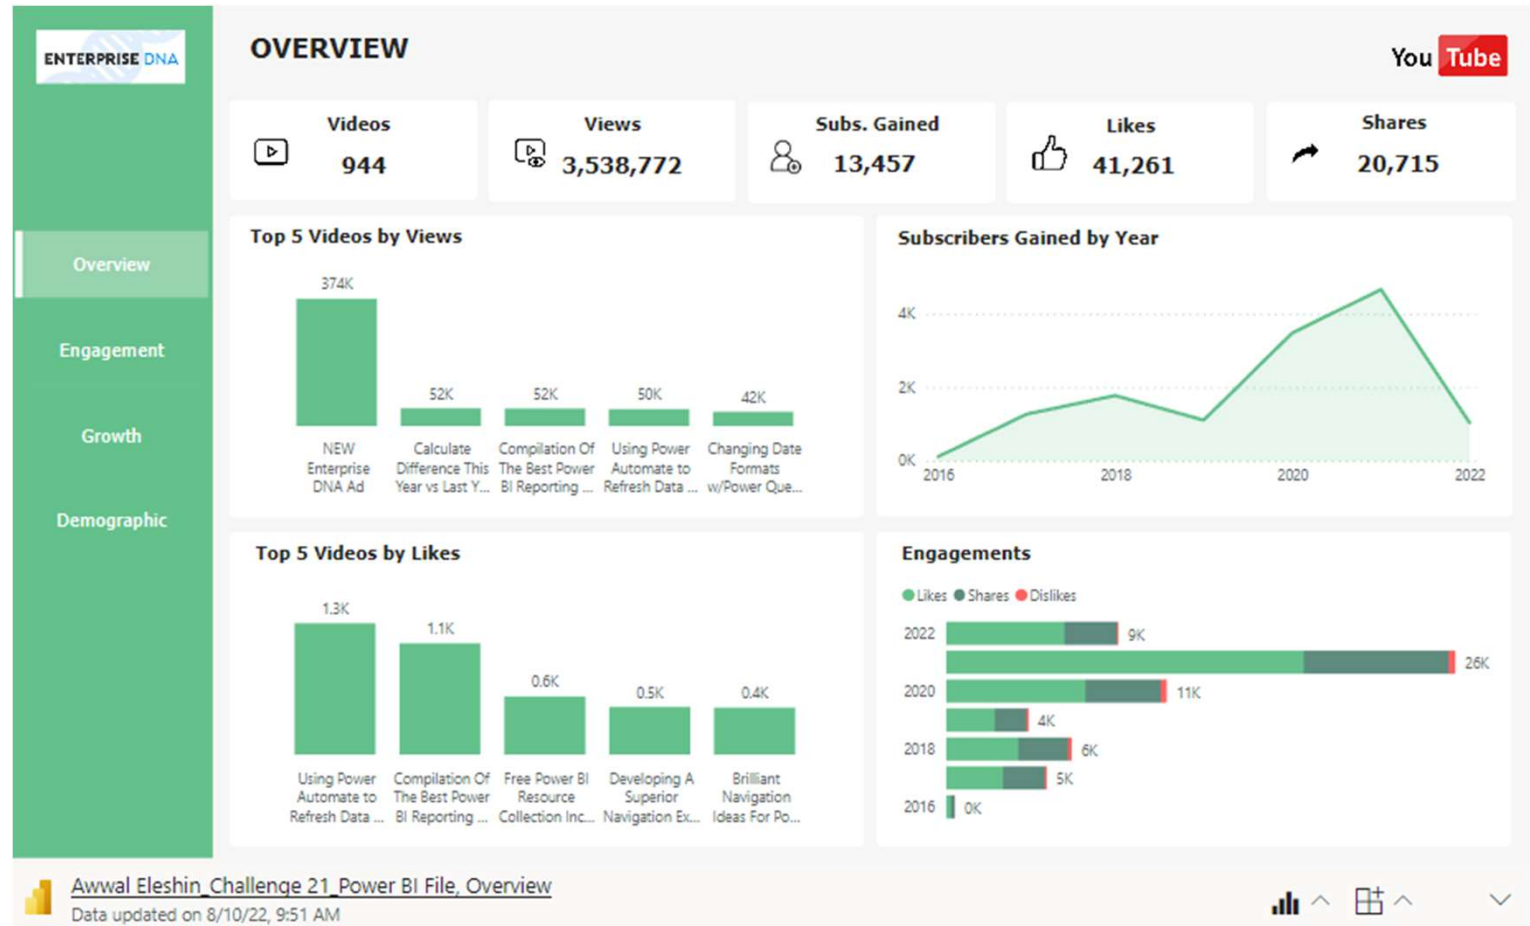

EDNA YouTube Channel Analysis

EDNA YouTube Channel Analysis

Santiago Cancela

"I took the courage to get involved in the challenge a bit late, so I decided to make it as simple as possible. I do like the strategy that EnterpriseDNA has been teaching about Background and themes, so I decided to put it into practice. I think also as the Data is from Enterprise DNA, it makes more sense to use the templates developed."

**EMPOWERING POWER BI USERS
TO CHANGE THEIR WORLDS**

Gustaw Dudek

"My main idea was to push design part a little bit further and check what can we do with standard PBIX possibilities in combination with standard PPT. I would call this report "Jarvis 1/10."
